

#Guytalk

The toolkits are based on the following themes:

Love

The straight relationship and fatherhood/parenthood, separation and divorce, domestic violence, the division of labour and the responsibility for keeping contact with family and friends

Friendship

Communication with others, peer pressure, loneliness and the alcohol norm

Ego

Suspiciousness, ego, jealousy, looks, status and jargon

Fragility

Weakness, fear and demands, not living up to what is considered “manly”, feeling things considered “unmanly” and hiding parts of yourself to fit in
avoidance: alcohol, drugs, work and porn

Avoidance

Alcohol, drugs, work and porn
avoidance: alcohol, drugs, work and porn

Sex

Libido, sexualization, porn, impotence, closeness, consent, intimacy and abuse.

Don't forget to read the “instruction sheet” before you start your conversation, so that you can make sure that the conversation is safe, inclusive and has the maximal amount of effect. You can find the instruction sheet at:

<http://guytalk.se>.

You can also find guidance on how to arrange a #guytalk on the website:

<http://guytalk.se>.
